Smith Registered Angus Ranch would like to welcome everyone to our 11th Annual Production Sale!

At Smith Angus Ranch, we have a strong belief in the values of faith, family, hard work and personal responsibility. Those values are the cornerstone of our business and drive us to continuously improve. All of us are in a noble profession of providing high quality protein to the world.

Again this year we will be having the sale at the farm south of Berryville. The cattle will be penned the afternoon before the sale and can be viewed anytime on pasture by appointment. TV's will be set up in the tent with videos of the cattle during the sale.

Disciplined balanced-trait selection has allowed us to make great strides in our breeding program to provide genetics that will help our customers be successful in the cattle business. The cattle industry is seeing record high prices with strong consumer demand for high quality beef. With the input and environmental challenges we see in the cattle business those rewards are most welcome. Now is the time to invest in genetics that will keep that momentum going. We will be offering females from the heart of our herd with years of production ahead of them.

The bulls are developed on pasture and hand fed daily. They are sound, good footed and gentle. Herd health and fertility checks have been done by Berryville Vet Clinic.

We cherish the strong relationships with our friends and customers. We always strive to do the right thing, for the right reason, in the right way. Please contact us with any questions and let us know if we can assist you in selecting the right genetics for your herd.

Thank you for your interest in Smith Registered Angus Ranch.

Sincerely,

The Smith Family
