PERFORMANCE INFORMATION & GENOMIC ENHANCE EPDS:

All bulls have Genomic Enhanced EPDs.
All bulls were DNA tested with AngusGS.
For more information please contact the ranch.
All EPD's current as of 9/27/2023.

SMITH BREEDING GUARANTEE:

Smith Registered Angus provides a first breeding season guarantee on all bulls selling. The breeding season is defined as the 90 day period following bull turnout. We will provide you a satisfactory replacement or issue a credit for a future sale equal to the purchase price minus salvage value. Smith Registered Angus Ranch reserves the right to deal with any problem individually.

INSPECTIONS OF THE CATTLE:

You are invited to inspect the cattle at the ranch anytime.

SMITH REGISTERED ANGUS RANCH HERD HEALTH:

All bulls selling have passed a semen evaluation by Zack Dombeck, Berryville Vet Clinic (636) 222-2437. Individual health papers will be provided for shipment anywhere.

NOTES:

Supplemental breeding and pregnancy testing information will be available sale day. Announcements made from the auction block will take precedence over the sale book. All persons attending the sale do so at their own risk. Neither the owners, nor the sale staff assume liability, legal or otherwise for accidents or loss of property.

Smith Registered Angus Ranch would like to welcome everyone to our 8th Annual Production Sale!

At Smith Angus Ranch, we have a strong belief in the values of faith, family, hard work and personal responsibility. Those values are the cornerstone of our business and drive us to continuously improve. All of us are in a noble profession of providing high quality protein to the world.

Again this year we will be having the sale at the farm south of Berryville. The cattle will be penned the afternoon before the sale and can be viewed anytime on pasture by appointment. TV's will be set up in the tent with videos of the cattle during the sale.

Disciplined balanced-trait selection has allowed us to make great strides in our breeding program to provide genetics that will help our customers be successful in the cattle business. The cattle industry is seeing record high prices with strong consumer demand for high quality beef. With the input and environmental challenges we see in the cattle business those rewards are most welcome. Now is the time to invest in genetics that will keep that momentum going. We will be offering females from the heart of our herd with years of production ahead of them.

The bulls are developed on pasture and hand fed daily. They are sound, good footed and gentle. Herd health and fertility checks have been done by Berryville Vet Clinic.

We cherish the strong relationships with our friends and customers. We always strive to do the right thing, for the right reason, in the right way. Please contact us with any questions and let us know if we can assist you in selecting the right genetics for your herd.

Thank you for your interest in Smith Registered Angus Ranch.

Sincerely,

The Smith Family

Disciplined Progress

ANGUS. ONLY ANGUS.

There's only one DNA profile created specifically for Angus cattle.

Angus GS™ is the new standard in genetic testing for Angus cattle. Created by Angus Genetics, the profile is purely Angus DNA, so it will have better predictability and deliver more power and accuracy than any previous generation genomic enhanced EPD, and at a much greater value. Visit angus.org/agi for the test that only Angus Genetics could create.
